

Willamette Valley Homgrowers

Left Coast Community Events

Sponsor Opportunity for the 2019 Sunday Sessions

The **Willamette Valley Homegrowers** is a members-only group created by the nonprofit Left Coast Community Events to build community within the Oregon Cannabis Culture by providing members with access to educational seminars, private events, and public forums to share knowledge and information about Cultivating Cannabis.

Willamette Valley Homegrowers will present a series of private seminars in a private venue to detail The Art of Cultivating and Curing Cannabis. Because only members may attend and because the venue is a private non-OLCC licensed space, each seminar can include cannabis samples and examples. Most but not all seminars will also include a requested donation fee to pay for the speaker, venue, and meeting sundries.

Each meeting of the **Willamette Valley Homegrowers** will provide (1.) Organizational updates (2.) Sponsor presentation (3.) Sponsor Q&A (4.) Speaker presentation (5.) Speaker Q&A (6.) Social time (7.) Close

Sponsors will be offered the opportunity to provide a presentation to the attending members during each meeting. Sponsors will also have input to determine the themes of select meetings.

The current **Willamette Valley Homegrowers** Sunday Sessions schedule includes:

- **Sunday, January 13, 2018** – Group Meeting *featuring Laura Day of Yerba Buena* / The Art of the Cure with Sponsor TBD.
- **Sunday, February 10, 2018** – Group Meeting – Speaker + Sponsor TBD.
- **Sunday, March 10, 2018** – Group Meeting – Speaker + Sponsor TBD.
- **Sunday, April 14, 2018** – Group Meeting – Speaker + Sponsor TBD.

Left Coast Community Events will offer two simple tiers of sponsorship, single or series.
